

2009 VAR500

May 19, 2009

Dear Elise Hernandez,

I'm pleased to tell you that Ideal System Solutions, Inc. is on the 2009 VAR500 list.

This is a great achievement that you and your colleagues should be very proud of. The May 25th issue of CRN will feature the 500 top solution providers in North America.

As a VAR500 company you have reached a higher status in the solution provider community. **We would like to invite you to attend the 2009 VAR500 Conference and Awards event as a VIP attendee.** The VAR500 Conference is one-day exclusive event designed for top-level executives from Solution Provider organizations. The conference agenda offers actionable content and dynamic speakers including Steve Rubinow, Chief Information Officer, NYSE; Enrique Salem, CEO Symantec; and Larry Bonfante, Chief Information Officer, United States Tennis Association. The conference features many networking opportunities to meet and share best practices with other Solution Provider executives and top channel chiefs from leading technology companies. As a VAR500 company you need to be there.

The highlight of the day is the 2009 VAR500 Awards Gala featuring guest speaker William Bradley. William (Bill) Bradley is a Hall of Fame Basketball player and former Senator. The gala dinner and awards will take place following the conference at Cipriani Wall Street.

This exclusive event is for qualifying executives only and space is limited. **As a 2009 VAR500 company your executive is automatically qualified as a VIP to attend.**

Congratulations again and we look forward to seeing you at the VAR500 Conference and Awards Event.

Sincerely,

Robert DeMarzo
